

Baby Quilt - Embroidered 6" Squares

Materials

60" of backing fabric (45" wide)
 18 fat quarters (you use only about half of each for the squares)
 ¾ m. of fabric for the strips on the pieced side
 60" of cotton batting (this will be enough to do 2 quilts since the batting is 90" wide)
 5 strips of 2 ½" binding (45" wide)

Cut

Squares

35 6 ½" squares (2 of each color plus one more)
 Aligned in 7 rows of 5 squares

Strips

All strips are cut on the width of the fabric (45")
 5 X 2 ½" X 45" (these are for the outside border - the long ones will have to be pieced)
 11 X 2" X 45" (Cut 5 of these into 6 ½" strips for a total of 30)
 The short strips go between the squares in the rows - 4 for each row of 5 squares
 The remaining 6 strips go between each of the 7 rows

Overall width of quilt: 40 ½"
 Overall length of quilt: 55 ½"

Width		
squares: 6 ½"	6" x 5	30"
strips: 2"	1 ½" X 4	6"
strips: 2 ½"	2 ¼" X 2	4 ½"
	Total	40 ½"
Length		
squares: 6 ½"	6" x 7	42"
strips: 2"	1 ½" X 6	9"
strips: 2 ½"	2 ¼" X 2	4 ½"
	Total	55 ½"
